**MURCIAN** with breadsticks and Russian salad

**CLASSIC** for the true purists

6 pieces 18

## EL HORNO DE BABETTE

Portion of bread per person 2,2

RED

WINES

JF ARRIEZU 23  
Bodega Arriezu. Rioja.

Eco, biodynamic and vegan. Wine that used to be said “from the house”. Rich, fresh, light, like life itself. Half Tempranillo, half Garnacha. This project belongs to José Félix, a farmer and winemaker who found his vocation in the harvest with his grandfather.

SENDA 26

Bodegas Las Moradas de San Martín. Vinos de Madrid. A very elegant and subtle crianza wine, fresh and aromatic. It faithfully represents the spirit of the Garnacha from the Las Moradas terroir. Cherry red color. Very varietal Garnacha with floral aromas, plum, scrubland, and a very mineral background, characteristic of the granite soil, with the variety prevailing over a subtle wood influence. Its finish is long, with great persistence on the palate

SER VIVO Y NATURAL 27

They have been organic since the year 2000, always pioneers in everything. Lina, Fernando and Alejandro manage the vineyard and the winery. Eating some chops, harvesting with them, selecting the grapes makes you understand why Vega Sicilia used to buy the grapes from them

MAZAS ROBLE 26  
Bodegas Mazas. Toro.

They have been organic since the year 2000, always pioneers in everything. Lina, Fernando and Alejandro manage the vineyard and the winery. Eating some chops, harvesting with them, selecting the grapes and drinking by their side makes you understand why Vega Sicilia used to buy the grapes from them. His father founded the D.O. Ribera del Duero to get better conditions

CUZCURRITA RESERVA 32  
Bodega Castillo de Cuzcurrita. Rioja. A 15th century castle in the middle of La Rioja with a championship winemaker Ana Martín, an ecological vineyard to tip your hat to but most importantly, a wine that can be drunk at any time

“Wines from different winegrowers, from projects that revitalize the Spanish countryside, from young people who return after traveling around the world; not so young, but with the same illusion of their first harvest”

PAAL 100% SYRAH 27  
Bodegas Caudalía. Navarra.

You will want to take this bottle home as a souvenir because of how beautiful it is. It is 100% shyrah, the grape that everyone who tries it for the first time falls in love with. It is the project of Iván and Raquel in which they unite the knowledge they acquired in their travels around the world, learning, and then return to their origins to make this wine that they keep in concrete tanks for 18 months.

COSME PALACIO 1894 70  
Bodegas Entrecanales. Rioja.

In 1894 Cosme Palacio was founded. A benchmark for this winery, with very limited production. Like its white brother, the label keeps the annotations in the style of the winemakers of the s. XIX

COSME PALACIO VINO DE LAGUARDIA 28  
Bodegas Entrecanales. Rioja.

Made with grapes that are “next to your house”, with the vineyards that you have been seeing since you were a child. And that is why it is made with special care. With that point of joy to enjoy the town

SECRETO 31

Bodegas Entrecanales. Ribera del Duero. Almudena Alberca, the first female Master of Wine in Spain, has been in charge of visiting the different secret places of the Ribera del Duero in search of the best vineyards. Tempranillo grape wine from vines over 60 years old, ranging from Soria to Valladolid and passing through Burgos

ANZIL VIÑEDOS VIEJOS 39  
Bodegas Entrecanales. Toro.

Almudena Alberca, the first female Master of Wine in Spain, has been in charge of visiting the different secret places of the Ribera del Duero in search of the best vineyards. Tempranillo grape wine from vines over 60 years old, ranging from Soria to Valladolid and passing through Burgos

EREMUS ROBLE 27  
Páramo Arroyo. Ribera del Duero.

They’ve been organic since the year 2000 – true pioneers in every way. Lina, Fernando, and Alejandro run both the vineyard and the winery. Sharing lamb chops, harvesting grapes, hand-selecting bunches and tasting wine with them helps you understand why Vega Sicilia used to buy their grapes. Their father founded the Ribera del Duero D.O. to secure better conditions for winemakers

WHITE

WINES

JF ARRIEZU SAUVIGNON BLANC 23  
Bodega Arriezu. Rueda. This wine is acidic and elegant. It is dry with a very intense, refreshing aroma. It stands out for its strong herbal and fruity aromas, ranging from citrus notes like lime and grapefruit to more tropical ones like passion fruit and mango

VERDEJO ARRIEZU 23

Bodega Arriezu. Rueda. There cannot be a bar without Verdejo, say those from Castilla. This José Felix wine is from vineyards from before the phylloxera and that is why they are strong. When you smell it, the apple smell of the Verdejo grape jumps out at you and catches you like there is no tomorrow. When we drink this Verdejo we understand what those from Castilla say

BERARTE SEMIDULCE 24

Bodega Berarte. Rioja. This semi-sweet white wine comes from the Rioja Alavesa region, known for its winemaking tradition. It offers a perfect balance between freshness and smoothness, with delicate fruit and floral aromas that make it irresistible

CASONA MICAELA 26

Bodega Casona Micaela. Costa de Cantabria. The white wine that is harvested later in Spain (because the vineyard is oriented to the north and it is colder and has less sun, and because it is at an altitude of 700 m). This explosive mix of Riesling and Albariño has been hooking us for 12 years. And let the streak continue

ENXEBRE 27

Bodega Condes de Albarei. Rías Baixas. It talks about the history of Galicia and Cambados, and the dreams of some very small farmers who got together 30 years ago. They only make 60,000 bottles with ripe grapes from old vines on the edge of the sea. The salt feels like the breeze on the shore. The strength of the small Galician viticulturist together with the technique of the master oenologist, Pepe Hidalgo, in each drink

YENDA GODELLO 27

Bodega Sel D’Aiz. Costa de Cantabria. Five hectares at 500 m altitude in the Valles Pasiegos on south-facing slopes could only result in an aroma of ripe fruits and that bright, golden yellow color. Asier and Miriam combine traditional know-how with technological innovations

COSME PALACIO 29

Bodegas Entrecanales. Rioja Reserva. Who says that white is only for fish and red for meat? This white has body and structure to accompany it with whatever you want thanks to the viura. to break molds

EL AERONAUTA 29

Bodegas Entrecanales. Godello Valdeorras. A godello that hooks you just because of its name: a tribute to one of its creators, who was also an airplane pilot. A godello of heights

CASERÍO DE DUEÑAS 33

Bodegas Entrecanales. Rueda. Singular estate where the Zapardiel river passes with a compendium of Verdejo, Chardonnay and Sauvignon Blanc varieties

EL

ROSADO

UMEA ROSADO 23

Bodegas Caudalía. Vino de Navarra. A garnacha of the ‘sangradas’, the ones that give the good rosé

CAVA

BEBITO 26

Bodega Wine Side Story. Classic Catalan Cava, just like always

JARRAS

Jarra de tinto de verano 21  
Jarra de sangría 21
